Professional Summary

"Passionate Front-End Web Developer with a knack for turning ideas into captivating digital experiences! Armed with X years of experience, I've crafted dynamic websites and interfaces that blend creativity with functionality, earning accolades for my attention to detail and user-centric designs. Let's collaborate to bring your vision to life with pixel-perfect precision and unparalleled innovation!"

Education

B.Tech, KIPM COLLEGE OF ENGINEERING AND TECHNOLOGY, GORAKHPUR

09/2021 - Present

I am a 3rd year student currently in 6th semester, i have passed my recent semester with 8 CGPA and currently looking to make projects based on front end development

Internships

VIRTUAL, CODSOFT

"During my immersive one-month virtual internship at CODSOFT, I embarked on a transformative journey where hands-on projects became the cornerstone of my learning experience. Tasked with diverse projects, I delved deep into various technologies, honing existing skills while acquiring new ones. Through this dynamic environment, I not only achieved expertise in familiar technologies but also embraced the challenge of mastering new ones. These projects not only enriched my skill set but also instilled in me a passion for continuous learning and innovation, setting the stage for future success in the ever-evolving landscape of web development."
